Benefits of doing this?

1. Passive Income for 2 Bedroom Unit

Are you considering passive income in your future, or looking for a mortgage help? Adding this to your property would allow you to rent this at a market value of \$2900/m (all numbers are approximates).

Financing Cost (Excluding installation)	Property Taxes	Insurance	Cash Positive
\$1,733/m (30 yrs @ 5% without grant)	\$100/m (Increase Value)	\$100/m (Tenant and building insurance)	\$967/m (Approximate pre-tax income)

2. Government Grants Are Available!

Homeowners who qualify will receive up to 50% of the cost of renovations, up to a maximum of \$40,000. The program will provide a rebate in the form of a forgivable loan—a loan that does not need to be repaid if the homeowner follows the terms of the program.

3. Increase Your Property Value

By adding a brand new, high quality detached secondary suite to your property will substantially increase overall market value of your property. Typically the increase is greater than the cost of the upgrade.
